This includes, but is not limited to: drug buys, search warrants, and high-risk arrest warrants. If there is a possibility of damage to private property during these activities, the head law enforcement officer (or his/her designee) of the jurisdiction in which the activity is to occur will be required to approve the proposed operation. Upon approval, this jurisdiction will accept responsibility for damages up to a maximum of \$250.00. Any amount over \$250.00 will be paid out of the MRDTF Drug Forfeiture Fund.

Upon termination of the MRDTF, equipment that was initially supplied to the MRDTF by participating agencies shall be returned to said agency. Equipment shared jointly by all participating MRDTF agencies shall be split equally upon termination of the MRDTF. Conflicts regarding a split of equipment will require a sale of the equipment with the offering being made to the member agencies only. The proceeds of any sale will be divided equally between the remaining agencies. Once an agency receives a piece of equipment, it shall be the responsibility of said agency to maintain the equipment. In the event said equipment becomes lost and/or stolen or damaged, it shall be the agency's responsibility to replace said equipment.
19. Each officer assigned to the MRDTF will carry only those firearms, while on official duty, that are approved by their respective agencies. Further, the officer shall be qualified with those firearms.

By accepting any funding pursuant to this agreement, all remaining parties agree that they are considered sub-recipients of federal funding and are

therefore required to satisfy all of the legal and contractual requirements of the United States Department of Justice and the Montana Board of Crime Control including the conditions set forth in:

- The annual award documents from Gallatin County
