

COMMISSIONER MEETING
515 Broadway, Townsend, MT 59644
April 16, 2019

Commissioner Mike Delger called the meeting to order at 8:00 a.m. Commissioners Laura Obert and Darrel Folkvord were also present.

Brooke Dolan, Victim Witness Advocate, presented her grant, which was given a new grant number, and a new signature page to make it official. Commissioner Obert moved to sign the victim witness advocate grant update, because of grant number change and the grant was already approved. Motion seconded by Commissioner Folkvord and carried.

Jerry Grebenc, Great West Engineering, appeared to discuss the needs for the update for the Growth Policy, Flood Policy and Capital Improvement Plan (CIP). How involved do Commissioners want to be, how involved are other departments in the process? Darrel will be primary contact for roads, Mary Hendrickson for Solid Waste. Public outreach can be at commissioner meetings. Commissioners can reach out to organized groups, such as Toston, Radersburg, Winston, BCDC and Wheatland.

Nichole Brown can be point of contact for the Planning Board: At what level do they want to engage? Whole Board or Nichole as spokesperson? What level of outreach? Commissioners will review with Nichole.

A joint meeting with Planning Board to discuss overhaul of subdivision regulations to conform with the new growth policy, design and road improvement standards.

A survey is planned first, then public meetings as needed.

Flood Plain update: use State model.

Jerry will work on the Scope of Work and schedule ASAP, with a marketing survey critical for public input.

Tim Ravndal was also present.

The meeting was adjourned at 8:59 a.m. The next regular meeting is scheduled for April 22, 2019 at 10:00 a.m.

Mike Delger, Chairman
