

**COMMISSIONER MEETING**  
**515 Broadway, Townsend, MT 59644**  
**March 21, 2019**

Commissioner Mike Delger called the meeting to order at 2:54pm. Commissioner Darrel Folkvord and Commissioner Laura Obert were also present.

Fish, Wildlife and Parks acquisition of G/T Ranch: Commissioner Obert made a motion to grant Commission support to the project. Commissioner Folkvord seconded the motion. Commissioner Folkvord verified that FWP will provide public access. Commissioner Delger confirmed this and noted that FWP has offered to pay into PILT. All Commissioners voted in favor of the motion.

Items for Discussion: The Commissioners will send a letter to RY Timber in support of their protest of the selection of a winning bidder on a recent project in Gallatin County. The winning bidder of said project is seemingly not complying with all requirements of the project, i.e. road building. The Commissioners will also send a letter of support to the Forest Service 'Lazy Man Gulch' project in Lewis & Clark County.

The meeting was adjourned at 3:00pm.
