Name of Installer: _____ Phone #: _____

FEE: \$250.00 (Certified Installer; List Available) or \$350.00 (Non-Certified Installer) \$300.00 Site Evaluation (A site evaluation is required if your property is over 20 acres or does not have a DEQ Certificate of Subdivision Approval.) \$100.00 Tank Replacement Only

The information given on this form is true to the best of my knowledge and I understand that if any application information is found to be untrue, my application and permit will be invalid. I also understand that the permit fee may not be refundable. I further understand that inspection and approval of this treatment system does not constitute assumption by the Department or its representatives of liability for the failure of the system. I, as property owner, shall be responsible for the proper maintenance of the system and for abatement of any nuisance arising from its failure.

By my signature below, I am stating that I understand that my septic system must be installed in a DEQ or Departmental approved area. In accordance with the Broadwater County Floodplain Management Ordinance, I understand that no building may be constructed in a floodplain without a valid permit from the Broadwater County Floodplain Administrator.
