Subject: Fire Board Letter of Interest

Tacy,

I sent this earlier but must not have done something right as I got it back. I know you were, and maybe still are, working with all the county boards. Could you get this to the appropriate place please.

To Whom it may concern:

Please accept this letter as an indication of my interest in serving on the Broadwater Rural Fire District board. Prior and current experience, I believe, will help me to be a positive contributor on the board. Time spent as Fire Chief for the Amsterdam Rural Fire Department in Gallatin County familiarized me with governmental accounting, budgeting, personnel management, and how governmental districts work. I've been involved with the Broadwater Rural Fire District since moving back home and assisted the current board from time to time. A background in accounting and banking will also help me to positively contribute. I appreciate your consideration!

Respectfully,

Todd Kitto
