Good Morning Eric,

Thank you for your email and interest in our Snowbulance Deluxe.

Our Rescue products are used across North America by the Military, US Government, Fire & Rescue Departments and Emergency Medical Services.

The Snowbulance Deluxe, which has all the bells and whistles and also includes the majority of the options on the regular Snowbulance, is a great quality product and will definitely serve you well.

I have attached our specification for your review and files.

Pricing is as follows:

SNOWBULANCE DELUXE W/METAL SKIS - \$8059.00

Ski Skins - \$97.00/pair

ATV Conversion Kit - \$1392.00

The battery rack is included with this unit.

Delivery to Townsend, MT - \$1675.00

Pricing is in US Funds

If you would like to move forward with an order please let us know.

Should you require any additional information, please feel free to contact me.

Thank you again for your interest in our products and I look forward to hearing from you.
